Artists : Duke Sheltic, PGEEZ

Lyrics : Duke Sheltic, PGEEZ

Chorus

(Duke Sheltic)

Whoop it up if ya like to jam,  
like boom, bam, here we go again  
Whoop it up when the beat start bangin  
so we jump n jam, we jump n jam

(Duke Sheltic)

It took me, 60 minutes to get 60 women I hit  
It's slick how I drill em n it's sick to kill em with a wicked  
whip n I'm dealin with a million brilliant women  
I'm a prick coz I'm showin em my hand free dick swingin,

ya get opinions, ya never had befo, (yo)  
eyes closed pants down lez rock n' roll  
baby dawg lemme dig into the most em ho's  
but close the door when ya go I got the next on the phone

yo to fuck with a rubber, is inane like soccer  
like jumpin into a pool, whitout no wather  
I'm a crazy motherfucker straight out from the gutter  
I would dig into ya motha , 6 inch deep brotha,

ya know I beat the rest of the fuckin scene,  
but it ain't about to be the best z'money ya need  
so I'm axn ya fellow ya upfront or a clam  
coz when the hook drops, I want all of ya to jam

Chorus

(Duke Sheltic)

(Duke Sheltic)

I'm a talkin bout em things, we all think about  
don't ya piss against the wind man the bozz is around  
i don't give a motherfuck I ain't got notn to loose,  
all ya major labels, ya can kiss my boots

ya like priests without faith, a rod without baits  
ya let me do the work n ya the one who's gettin payed  
ya try to lead a pride, but ya ain't no alpha  
z'like fuckin in the dark, with Jessica Alba,

I came up coz I got, my own bloody style  
I let nobody tell me how I should write my rhymes  
it's a crime if ya try to prime me n lie to me  
ply me with the kinda sublime grime good bye homie,

I don't give a fuck bout em supersonics  
or them bozz players, who go fo mo' mo' money  
it's funny, I ain't need no damn exam  
to make ya people jam, I take a stand
