

Last moment Feat. Shirley Grimes

Artists : Duke Sheltic, Shirley Grimes

Lyrics : Duke Sheltic, Shirley Grimes

(Duke Sheltic)

Thiz iz a story bout my self, bout me n my self
bout mr. Duke iz talkin to himself beggin for help
I let y'all participate, to this story if ya feel me
feels- like I scream- but nobody gets to hear me

itz like I run, but I ain't goin no where,
n like I'm havin fun, but there's nobody who cares
feel like I'm hidin in a glasshouse when ya throwin stones
all alone coz ya gone all I got is my song

but I luv the glass clinkin , the grass hittin ass kickin
I got the fast spit in that minute pass
me the jummy gime that shit I wrap it up fantastic so drastic
my goal is to be slick n quick I kick it a bit sarcastic-

fanatical, dad, I know I c ya again ,
you n me in heaven with couple of beers n champagne
I refused to cry while I had to, watch how ya died
n only one simple minute changed all of my life

Chorus

(Shirley Grimes)

We're too busy, we're too engrossed
So busy, that we get lost,
what we got we take it for granted,
we should live it for the moment is here

(Duke Sheltic)

Yo look I never thought I make it to my 25th ,
I was a fool in school eternally risked the biggest lip
there's always somethin we miss n also someone ya diss
a person ya'd kiss ya'd listen to in bliss

z' why I say hey Dad, reserve a place for me,
right beside ya on a fat cloud with liquors n weed,

where the world can be seen n only you n me there
then we can stay beside eachother n p...down on em man

I'm callin up da last years, da past years
na be with or against me there's no further appeal
feels like a swish which ya turn into a game winning ball dawg
ya'll stay at my grave? , I make sho to rain on all y'all

this iz a letter to my very best friend
I can't barly wait, to c ya face again
coz I will never forget, the intense last minute we had
hope ya ok, rest in peace Dad

Chorus

(Shirley Grimes)
